

Please note that we will have very limited capacity to intake new medical escorts in July and through mid September. We will require between 14-21 business days advance notice during this time. Priority will be given to requests that we already have in the queue. We thank you for your patience and understanding that we may be unable to fulfill as many requests as usual during this time.

We are currently unable to take requests for new escorts between August 22nd and September 16th. We apologize for the inconvenience and thank you for your understanding.

Please note that we currently have a waitlist for Friendly Visiting. We will confirm receipt of any new referrals but please be advised that match times will be extended.
