

A Cause for Connection

Changing the View on Aging, Together

Tuesday, June 9, 2026

6:30 p.m. - 9:00 p.m.

View Boston Observatory at the Prudential Center

Join FriendshipWorks for A Cause for Connection—a special evening reception dedicated to reshaping how Boston thinks about aging. Set high above the city atop the iconic Prudential Building, this uplifting celebration honors the extraordinary impact of human connection and the conviction that everyone deserves the opportunity to age with respect and a strong sense of community.

For over 41 years, FriendshipWorks has been transforming lives every day through friendship, volunteerism, and powerful community partnerships. By reducing isolation among older adults and nurturing authentic, intergenerational relationships, we help older adults feel seen, valued, and supported—improving health, well-being, and quality of life.

Your sponsorship fuels this mission. It empowers essential programs that match older adults with caring volunteers, sparks life-changing connections, and shifts long-held narratives about aging in our city.

Help lead a new conversation—from “*Social isolation is just what happens as we age*” to “*Social isolation is something we can prevent—together.*”
