Dear Kyle:

Enclosed are the original (taxpayer) and public disclosure copy of the 2024 exempt organization return, as follows...

2024 Form 990

The attached PDF copies are required to be retained for the Organization to be compliant with the document retention requirements established by the Internal Revenue Service (IRS). Please have an officer sign and then retain them for your records. We recommend that you retain all pertinent tax records for a period of at least three years as taxing agencies to possess the authority to request these supporting documents.

Upon receipt of the signed Form 8879-TE, we will immediately electronically file the tax returns(s) with the IRS.

If your return contains Schedule B, *Schedule of Contributors*, please note that public disclosure inspection copy of Federal Form 990 containing redacted version of Schedule B is the only version which should be provided to any requesting third party or the general public.

As we stated in our engagement letter, we prepared these returns from information provided by you or your representative. We have not conducted any independent verification or conducted any type of due diligence on the information you provided. Please thoroughly review the return(s) before signing them to ensure there are no omissions or misstatements. If you determine that there is anything on the return(s) that should be changed or otherwise updated, please contact us before signing and/or filing them. Because we do not keep records to substantiate information recorded on you return(s), you should preserve all records which you may be called upon to produce in the event of an examination by any relevant taxing authority.

We sincerely appreciate the opportunity to serve you. Please call us at any time should you have any questions relating to your tax situation, business, financial or estate planning or any other financial matters. As part of your advisory team, we will be happy to assist you.
